Safeguarding at Manor Farm Community Junior School

At this school, the health, safety and well-being of every child are our paramount concern. We listen to our pupils and take seriously what they tell us. Our aim is for children to enjoy their time as pupils in this school. We want to work in partnership with you to help your child achieve their full potential, make a positive contribution and keep them safe from harm.

To promote a safe environment for pupils, our selection and recruitment policy includes all checks on staff and regular volunteers' suitability, including Criminal Records Bureau checks, as recommended by Buckinghamshire County Council in accordance with current legislation.

In accordance with our responsibilities under section 175/157 of the Education Act 2002 and "Keeping Children Safe in Education" 2014, we have a Designated Safeguarding Lead for Child Protection (Mr Andrew Sierant) who is the Headteacher and has received appropriate training for this role. It is their responsibility to ensure that all staff in contact with children receive child protection awareness training on a regular basis.

Occasions do arise when our concern about a child means we have to consult other agencies. Whilst we would always aim to work in partnership with parents there may be exceptions to this when concerns are raised for the protection of a child.

On very rare occasions Social Care, whilst undertaking an investigation under s47 of the Children Act 1989, may want to speak to a child without a parents' knowledge. This would be a decision made in collaboration with partner agencies and would only be done in situations where a child might be at immediate risk. To gain consent at this point may increase the level of risk to the child or cause evidence of a crime to be lost.

The procedures, which we follow, have been laid down by the Local Safeguarding Children's Board, and the school has adopted a Child Protection Policy in line with this for the safety of all: the Policy can be found on the school website here: <http://manorfarmschool.org/policies/> or asked for at the school office.

Manor Farm Community Junior School recognises that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society and follows national guidelines such as the PREVENT Strategy HM Government, Keeping Children Safe in Education DfE 2014 and Working Together to Safeguard Children HM Government 2013. Our Tackling Extremism and Radicalisation Policy is available from the school office.

If you want to know more about our procedures, please speak to the Headteacher or your child's class teacher.
