

Free School Meals & Pupil Premium

Research shows that better food in schools is improving what children eat during the school day, and there's evidence of a clear link between what children eat at lunchtime in school, where they eat it and how they focus with their teachers in the afternoon.

From September 2014, **all** children in reception, year 1 and year 2 in state-funded schools in England will be eligible for free school meals. This includes infant pupils in maintained infant and primary schools, free schools, academies, special schools and pupil referral units.

Free school meals are also available to pupils in years 3 and above whose parents receive certain benefits and register using the form over the page. Please return this form to your child's school if you think you qualify.

Registering for free school meals could raise money for your child's school – Pupil Premium

If your child is in reception, year 1 or year 2 it is still important to complete this form because registering for free school meals could also raise an extra £1300 (primary schools) or £935 (secondary schools) from central government which can be used in your child's school to raise the attainment of pupils from lower income families and close the gap between them and their peers.

Furthermore, even if you don't want your child to receive a free meal we would still encourage you to register for free school meals so that their school receives as much funding as possible.

To register for Free School Meals, including Pupil Premium, please complete the application form over the page and return it to your child's school as soon as possible to avoid delay.
