

MANOR FARM COMMUNITY JUNIOR SCHOOL

BRITISH VALUES STATEMENT

As a community school we take our responsibility to promote community cohesion, generate a respect for difference and individual rights, seriously.

Through our curriculum we encourage pupils to reflect upon their role in a diverse society and develop an understanding of British Values. Our curriculum enrichment activities enable pupils to learn about other cultures and beliefs and to respect the views and opinions of others.

In addition, the school promotes British values through:

- A school council whose members take part in hustings and voting processes
- A geography curriculum that covers global citizenship
- A religious education (RE) curriculum that teaches about the beliefs and practices of all major religious groups
