

Dear Parents,

Equipment for September

As a school we no longer want the children to bring in their own pencil case and contents. Doing so causes distress when things go missing.

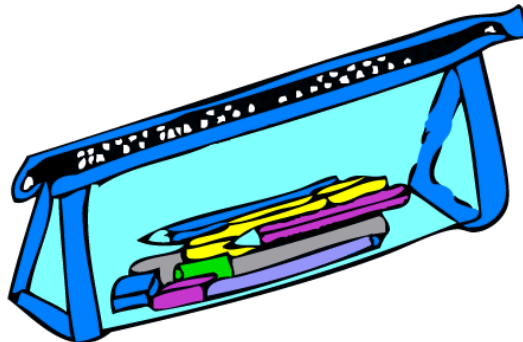

We would like

You to provide your child with a basic style pencil case and a pack of colouring pencils.

Guidelines

Please ensure the pencil case is big enough to take a 30cm ruler but of a size suitable to fit in a narrow drawer.

(Large bulky designs are not practical and distract the pupil from learning)

School will provide

Pens, pencils, erasers, pencil sharpeners, glue sticks.

Please note

You are under no obligation to provide anything but as you can imagine doing so eases our budget.

Thank You
